Child(s) name(s) and room number(s): _____

Please note your contact details will only be shared with the FOS team. We shall be in contact with you prior to our next meeting

ABOUT THE FRIENDS OF THE SCHOOL (FOS)

Objective: The primary objective of the Friends of the School (FOS) is to foster parents and community involvement in Marlborough Primary School for the benefit of its children. This will be achieved by organising school fundraisers and social events for the children, parents and community of Marlborough Primary School. The FOS team will also co-operate with the Board of Trustees (BOT) and school staff to assist with school activities.

The FOS team is made up of parents and teacher representatives who are passionate about our Primary School and are keen to make a difference through our involvement. Our role is to organise fundraising activities for the school and social events for the children, parents and community of Marlborough Primary School.

Being a part of FOS is a great way to make a positive difference to our school community and get to know other parents and teachers in our school.

We meet twice a term from 7pm on a week night in the Board Room. Our meetings are always advertised in our school newsletter and on the school's website. You are most welcome to join us!

If you can't attend meetings but would like to contribute by lending us a hand for our fundraising activities please tick the Friends of the Friends of the School box on the Return Slip.

Our current team is

Chairwoman: Cherie Holland
