Parent/Caregiver Consent Form Authorisation to Publish Student Images and Work

At Marlborough Primary School, we take the issue of child safety very seriously. This includes the use of images / photos of pupils in school publications and on the school website.

Publication of students engaged in school-based activities can be motivating for the pupils involved and provide good opportunities to promote the work of the school. However, we have a duty of care towards pupils and recognize their need to remain unidentifiable, thereby reducing the risk of the misuse of images and inappropriate communication or contact.

Parents/caregivers are asked to consent to the school taking, and using photographs and images of their children and publishing their work appropriately.

Any use of pupil images at Marlborough Primary School is underpinned by our ***Online Publication of Student Images and Work Policy***.

Please complete, sign and return this form to your child's class teacher at Marlborough Primary School.
