Dear Parents / Caregivers of Marlborough Primary School,

We are very lucky to be able to offer 200 of the students at our school access to Reading Eggs and Spellodrome for 2020, starting this term (so 5 months free access). We have been using Reading Eggs most successfully throughout the year to increase reading and reading comprehension. For the next 17 months we are adding the Spellodrome subscription as well to increase the student’s spelling confidence and ability, starting with letter sounds and moving into increasing their vocabulary knowledge. These programmes are an excellent way of making learning fun for your child, but there will be free options available for those who choose not to subscribe to them.

If you wish your child to have access to this wonderful Reading and Spelling Programme for more than a full year (until February 2021) please send **\$50.60** per person in by the end of November 2019. (This offer will NOT be repeated in February next year, if you want access to these programmes, this is the only time it will be offered.)

Regards,

Helen Martel

 <p>ABC Reading Eggs is designed to support early reading skills in a fun and motivating way. The program features hundreds of guided reading lessons and interactive activities to teach young children phonics, letter recognition and sight words.</p>	 <p>ABC Reading Eggspress is designed to teach children in Years 1 to 6 essential reading, comprehension, spelling and grammar skills. The program includes 220 comprehension lessons, 216 spelling lessons and over 2,000 e-books in the Reading Eggspress Library.</p>
