## May 15, 2020 - Newsletter

Dear Parents and Caregivers, it seems wonderful to be able to say 'see you on Monday 18<sup>th</sup> May' at 8.55am and finally welcome back to our school. The teachers have been at school organizing classrooms and going through the hygiene protocols required for entering school buildings.

### I thought I would just update you with a few things .....

As there are going to be more cars around, the roads surrounding our school will be very busy. Please can your child **walk into Wykeham Place** as that will stop as many cars congesting the road. If your child used to walk to school prior to lockdown, then they can one again walk to and from school on Monday in Level 2. If your child is in the **Year 5/6 classes**, (including Room 18) they will start to walk home at **2.55pm**. Please remind your child that there will be many more cars on the road as schools return, so be careful and watchful at all times.

When the teachers return to working at our school site on Monday 18 May, **they will not be available to answer teaching queries for those children remaining at home**. The on-line programmes available will be: Mathletics, Sunshine Classics and Readers, Epic and the seniors also have access to Seesaw tasks. The Ministry of Education will continue to broadcast the educational programmes on the television.

### Absent children

If your child is going to be away for any reason, please let the office know, through the website, by phoning the office on 481 0365, or by email: [office@marlboroughprimary.school.nz](mailto:office@marlboroughprimary.school.nz).
