

“Te Ako i te Ora” - “Learning through Living”

From the Principal’s Pen .....

Dear Parents and Caregivers

What a rollercoaster of a term and the year so far! Hopefully over the upcoming 2-week break period we can all re-charge our energy levels by having a rest and not continuing with on-line learning challenges, as experienced at the last holiday/lockdown period.

I know that the children are tired, as are the teachers and staff and are all looking forward to the rest. Carrying on with Reading, either to, by, or with your child is relaxing and will help to instill in them a love of reading.

Enjoy the break and I look forward to seeing you all next term on Monday 20th July.

Proposed Enrolment Scheme (zone)

I think there may be some confusion in our community over the timing of the proposed enrolment scheme.

- 9 June The consultation period started and lasts 4 weeks.
13 July The paperwork and correspondence is sent to the Ministry of Education.
13-17 July The Ministry of Education considers the feedback and approves the Scheme.
29 July The Board of Trustees meet to ratify the scheme prior to notifying the public.
September The Board of Trustees advise parents of the likely number of ‘Out of Zone’ places available for the following year.
October Deadline for ‘Out of Zone’ applications (exact date to be determined). Ballot is held.

Prior to the Ballot being drawn: -

Applications are sorted into the following six priority groupings (as set down by the Ministry of Education):

- 1. Applicants accepted for a special programme
2. Siblings of current students
3. Siblings of former students
4. Children of former students
5. Children of Board employees or Board members
6. All other applicants

Successful applicants are notified in writing in 3 days of ballot being drawn. Unsuccessful applicants are notified in writing in 3 days of ballot being drawn and also notified of their number on the school’s waiting list.

Term 1, 2021 - The enrolment scheme comes into effect.

Instructions relating to the operation of enrolment schemes are available on the Ministry of Education’s website, or a copy is available to look at, at the School Office.

KidsKlub Update

“After consultation with KidsKlub, the children attending their afterschool programme will meet at the outside area at the back of the hall, which is under cover. The KidsKlub van will enter the school premises from Wykeham Place at 3:15pm, which is after the other children and parents have left the school grounds. The van will park at the entrance of our school premises on Wykeham Place, just before the main gate, which is a safe area for the children to get on the van. The school’s staff carpark is too full and therefore a dangerous area for children to board the van. If you have any further questions in relation to KidsKlub, please contact Bruce or Donna at KidsKlub.”

Thank you for your co-operation Cherie Holland Chairperson, Board of Trustees

Dogs on the School Grounds

Please be aware of the school policy - ‘No dogs on the school grounds’. Some of our children, and parents are worried by dogs.
