12 August

Dear Parents and Caregivers,

What a change over night for us all at school and our school community.

Thank you to all who have managed to arrange cover for your children. When we receive any further news from The Ministry of Education, I will update you on what is going to happen at school. In the meantime, please take care and be safe.

The staff are all organized in case anything changes over the next few days and have work packs ready to go if required, in the meantime your child has access to Mathletics online. Some teachers are remaining at school to cover those children of essential workers.

Please be aware our school and its grounds are closed until further notice under Level 3.

Regards

Sue Buckley
Principal
