

birkenhead

residents assn.

This is an invitation to the students of **Marlborough Primary School** to enter the Birkenhead Photo Competition - a great school holiday activity.

We know that some of your students live and play in the Birkenhead area. We'd like to reach out to those students and invite them to enter this years Photo Competition.

COVID 19 restricts our ability to promote this competition, therefore we ask for your help in promoting the Birkenhead Photo Competition to your students.

Click here for the [Birkenhead Photo Competition poster](#) (PDF) that can be downloaded and printed (or emailed). However, if it is easier for you, I am also happy to deliver hard copies to your school, please let me know.

There are three categories this year:

- Community - our people and community spirit
- Natural Environment – spaces and places we treasure
- Built Environment.– the places, buildings, and houses of our neighbourhood

Additionally, there will be Spot prizes for other photos, eg: for Homes of Birkenhead, Life in Lockdown, Birdlife, Chelsea, and more.

Entry is free and the photo competition is open to both young people (under 15) and adults (15 or over). Entries will be exhibited in the Birkenhead Library in November, on our website birkenhead.org.nz and Facebook.

We thought you might be interested in seeing previous entries from the under 15 years age category:

- [Under 15 Years 2019](#)
- [Under 15 Years 2018](#)

Entries close on 16 October for judging.

There is a people's choice award, which will be open for voting from 19 October.

Please feel free to forward this email to anyone who you think may be interested in entering the Birkenhead Photo Competition.

Regards,

Warwick Jones
